

Dan-D Pak™ Make Their Mark at Home Show

February 28, 2008

It was Dan-D Foods' first time at the BC Home & Garden Show, which took place on February 20-24th, 2008 at BC Place Stadium in Vancouver. Over 60,000 attendees came out to learn about home renovations, garden landscaping and other home and garden tips. Dan-D-Pak™ was prepared to greet all visitors with two booths: one sampling booth located at the entrance with various snacks for attendees to munch on as they walk through the show, and another featuring a draw for a portable DVD player and red Dan-D-Pak™ reusable bags. Everyone enjoyed the samples and our red bags were a popular item.

Although many were unfamiliar with our brand, numerous attendees loved our products and were excited to see us there. We sampled Dragon Boat Mix, Cashew and Nut & Seed Pucks, Cashews with 50% Less Salt, Rice Crackers and Peanut Crunchy Snax. It was a great event and we look forward to participating again next year!
