

## Israel's 60<sup>th</sup> Anniversary – Vancouver, BC

September 19, 2008

It was Israel's 60<sup>th</sup> Anniversary and to celebrate this joyous occasion, the Jewish Community put on a festival featuring various bands and musical talents, full range of different foods and snacks, fun activities for young children, and a variety of vendors that sold Jewish related merchandise. Held at Lumbermen's Arch in Stanley Park, Israel's 60<sup>th</sup> was celebrated with the sun in full force as sounds of Israel from the main stage floated over the crowds while they enjoyed the food, browsed through all the different tents, and watched the many musicians that came to perform and sing.

It was Dan-D-Pak™'s first time at a Jewish celebration, but was welcomed with open arms, as we displayed many products that featured Kosher. We were well received and many people enjoyed our snacks.
